THE YEARBOOK OF

PLYMOUTH HIGH SCHOOL

PUBLISHED BY THE

CLASS OF 1936

VOLUME XXI

DEDICATION

To the faculty: In recognition of the splendid service and the fine co-operation given whole-heartedly by every instructor, we, the Class of 1936, take pleasure in dedicating to the faculty, this, the Twenty-first Volume of the Quit Qui Oc.

The Class of 1936.

FOREWORD

EVERY effect has a cause, just as every cause must have an effect—this is an indisputable fact. Thus we, the Senior Class of 1936, have utilized this principle and applied it to the publishing of this yearbook. The causes are many but all seek to produce a single effect.

Just as old daguerreotypes become faded and dimmed with the years, the memories of the joys and sorrows of high school will inevitably lose some of their distinctness. Our character, personality, in fact, our whole life has been influenced by our school environment. Should we, then, permit this potent force to become hardly perceptible in our minds? Obviously not—therefore it is our desire to preserve a permanent record of our associations and experiences.

Each year the book will increase in value and become more and more of a treasure. If, in years to come when you leaf idly through the book, it recalls the friendships and adventures of your years in high school, our aim will have been accomplished.

"You may break, you may shatter the vase if you will,
But the scent of the roses will linger there still."

Dear Ruth:

I guess you think the math. room was cheerful enough without any flowers.

It takes a subject like algebra to make things cheerful.

SENIOR CLASS

The time is rapidly approaching when we, the members of the Senior class of 1936, can rejoice and exhale a sigh of relief. For, our goal will be reached, and it is then that we can feel jubilant over our achievement. Our diplomas will be the proof of our efforts and will be but a mere introduction to our life's story.

As we march out of the auditorium for the last time in a body, a chain of memories will come to our minds. Our class leaves an excellent record of outstanding events and experiences in all of our school organizations. We have been very capably represented in musical activities, dramatics, forensics, debate, and athletics. We have helped with the publishing of the Hi-Lights, our school paper; and have published this Twenty-first Edition of the Quit Qui Oc as our memory book. But, we have not forgotten that school is an institution for learning, and we are proud to say that our scholastic record has indeed been a most remarkable one.

In speaking of our accomplishments we do so with an expression of gratitude to Mr. Senty, our class advisors, our instructors—especially to Mr. Iverson for his assistance with the annual—, and our parents and friends for the time and help they have given us.

Our class advisors, well worthy of mention, have been:

1932-33.....Miss Pells (Mrs. Carlton) and Mr. Draeger
1933-34.....Miss Shipman and Mr. Farwell
1934-35.....Miss Krause and Mr. Laufenberg
1935-36.....Miss Johnson and Mr. Williams

CLASS PROPHECY

This is station PHSA bringing you the news flashes of the day, September 23, 1952.

* * * * *

FLASH: Mr. Williams is seriously ill from shock received upon hearing that Harriet Heincke, formerly a student of his, has attained the title of World's Champion Shorthand Writer at a rate of 300 words per minute. The man in our control room, Lyle Kaiser, smiles. We wonder how much he really knows about this fair maid and her accomplishments.

* * * * *

"There's Goin'a Be a Hill-Billy Weddin' in June." So says a much circulated rumor about Raymond Hill and Geraldine Sanders. Congratulations!

* * * * *

Mr. LeRoy Koehler's book, "Women are Taboo", is nearly ready for circulation.

* * * * *

Charles Winter is doing as well as can be expected after having said that his wife, formerly Leona Dickman, has a well-rounded personality.

* * * * *

After much research, Professors Gehlhoff and Williamson declare that plants have nervous systems. Williamson believes mankind should repent for its cruelty to these helpless creatures.

* * * * *

Mrs. Gehlhoff, nee Beatrice Butler, is also going scientific. She's trying to reach a Black-eyed Susan to talk. Susan is not a flower, however, but a curly-haired, dimple-cheeked miss.

* * * * *

Grace Longrie has been employed as skating instructor on a rink in New York which has a seating capacity of 10,000. Some of her most promising pupils are Pearl Bohnhoff, Inez Holzschuh, Margaret Payne, Ruth Raeder, Sylvia Sohn, Roberta Haut, and Althea Zinkgraf.

* * * * *

Charles Pfrang sues Harland Walter for alienating the affections of his wife, Hazel Warner. Poor Harley! It was really Hazel's fault, though. You see, Hazel refused to marry Charles unless she could keep her maiden name—so how was Harley to know she was married?

* * * * *

Jean Lammers, versatile young beauty artist, is traveling abroad. Loretta Schmitz, editor of the society column in "Nositall", says a certain Joc le Mueller has become Jean's center of interest. We are led to believe that this dapper young fellow is John Miller, an American, with a French handle.

A new pupil, Elwood Nehrling, Jr., has entered Janet Leifer's "Etiquette for Boys" school. Elwood Sr. has been in her school for some time. Seems to like it too.

* * * * *

Spinsters' Club, of which Alice Parrish is president, spurns Leap Year! They say "Let men do the proposing, if any." These familiar names appear on the membership records of this club: LaVerne Lange, Maybelle Schultz, Mary Jane Schwaab, Mildred Laack, Leola Brinkman, LaVerne Sass, and Hazel Mae Schatz.

* * * * *

Roland Strub has had an accident, the first in his fifteen years of chauffeuring, the same day on which he was declared Plymouth's most popular and handsome chauffeur. The accident? Well, he made the mistake of leaving Arlisle Wolff off in front of a chicken coop on Grace Lange's farm. There were fireworks, and as a result Rolly burned out a fuse.

* * * * *

Washington! News has been received that Paul Strobel, Louisiana Senator, has accepted the debate challenge of Lois Senty, prominent Wisconsin Senator. The subject for discussion is "Resolved: That the Several States Should Enact Legislation Providing for a System of Complete Medical Care Available to all Citizens at Public Expense!" Yet! ! !

* * * * *

Arthur Goldbeck, connoisseur of modern art, has recently chosen Eileen Gilboy as model for his next picture. Mr. Goldbeck has been without a model since the dismissal of Miss Ruth Schellinger last June.

* * * * *

Ceylon Meerstein, daring young lion hunter, leaves for Africa today! With him go Harold Peters and Edward Guth as cooks; David Broker, photographer; Maynard Herdrich, journalist; and Rudolph Yellen, munitions bearer.

* * * * *

Tomorrow six men will start on an "around the world" bike cruise. They are Louis Yellen, Henry Stein, Richard Sieber, Robert Miller, Charles Nelson, and Rudolph Buuck.

We pause for station identification. This is station PHSA bringing you the news flashes of the day.

> If you want to be really smartly dressed, shop at "S & Z". They have clothes to fit your personality. The careful attention of Verona Schmidt and Lera Zoberlin, proprietors, will be given each customer.

We return you to the studio for more flashes.

Lois Hubin, popular little aviatrix, has been offered a contract by movie director, Harold Reinecke. Upon acceptance she will be the star of "Clinging Vine", in which James Hall will be her leading man. Chorus girls, Evelyn Bremser, Eunice

Eigenberger, Marie Lautenbach, Ione Lorge, Ruth Rieck, Marie Schuette, Arline Sramek, Marie Treadwell, and Marie Wehmeyer, will star in never-to-be-forgotten specialties.

* * * * *

This morning while Dr. Gordon Massow was taking a stroll he found Arley Swart with a rope fastened around his waist suspended from the branch of a tree. "What are you trying to do?" questioned Gordon.

"Hang myself," Arley replied.

"Well, why don't you put the rope around your neck?"

"Oh, I tried that, but it very nearly choked me."

Even though Arley has devised a new mode of suicide, his intentions are not serious. This "laff-provoker" of the stage is always up to something.

* * * * *

Donald Schoenfeld is all up in the air again! Perhaps because he has finally convinced amiable LaVerne Hannert, head stewardess on his airline, that he is really quite fond of her. LaVerne has under her direction three other stewardesses: Carolyn Timm, Gertrude Hoeppner, and June Kurtz.

* * * * *

We have recently been informed that Victor Meerstein has become the principal of Plymouth High School. Thelma DeMunck was hired as gym instructor and Fern De Zwarte, instructor of German.

* * * * *

This is Leap Year again! Upon the suggestion of Jean, Jean Schiereck and James Nelson have gone around the corner to see the parson, Henry Prange. Many happy returns of the day!

* * * * *

Plans were disclosed today by Engineer Andre, for the construction of a Trans-Pacific Railway, after the negotiation of a treaty with China by Lester Roehr, Willis Ebelt, and Kenneth Payne for cooperation in this monstrous project.

* * * * *

Tonight at 8:00 the "Non-Rhythmic Haberdashers", directed by Eric Brown, will present a program over this station featuring a "Piano Duo by the Plunkie Brothers"—Carl and Emery Blanke. Rose Schmidt will delight you with the revival of "The Music Goes Round and Round", a 1935 hit, which even Gran'ma and Gran'pa will enjoy. Other members of the orchestra are Clyde Baldock, Selby Bubb, Wallace Krug, and Melvin Raeder.

* * * * *

Immediately after this broadcast you may have the pleasure of hearing the "Wittkopps' 4-Square" with James as spokesman, Edna and Erna as vocalists, and Edwyna as accompanist.

STUDENT SENATE

The Student Senate, an organization of three years' standing, is the governing body of Plymouth High School.

The Senate considers the problems brought before it by various organizations, classes, or individuals. Senators and their alternates are elected before the second Monday of the first month of each semester. The senators represent their home rooms at the Senate meetings which are held every Monday morning during the Auditorium period.

The chief executive of the Senate is the president who is chosen from the Senior class and whose qualifications are of the highest. The Senate nominates candidates who are then presented before the school for election. Each candidate appoints a campaign manager, who, in his speech before the student body, outlines his candidate's platform.

The Senate has been instrumental in bringing in outside talent for entertainment and also for its educational value. The Campbell Duo showed, by their feats of magic, that the hand is quicker than the eye. Max Gilstrap, "The Whistling Ranger", presented an interesting lecture on "Our Western Wonderland". The De Willo Concert Company presented a program of unusual and appealing ensemble music. The students had the pleasure of viewing the Concertina Grande, the only instrument of its kind in the world.

Among the achievements of the School Senate was the introduction of the Activity Ticket. The purpose of the ticket was to provide a saving to the students, and to secure a larger following at all school activities. A reasonable price was set and the ticket included nine athletic events, four forensic events, six assembly

programs, and one year's subscription to the Hi-Lights. The Fire Drill was revised, and placards were placed in each room telling the correct exit and stairway that were to be used in case of fire. The Lost and Found Department was again opened for the convenience of the students. The major feature of the year was the sale of the Orange Guide Books. These handbooks, which sold at five cents, were invaluable to students not acquainted with the rules and regulations of the school. A school party, sponsored by the Student Senate, was very well attended and enjoyed.

The Student Senate has been a good guiding hand for the school during the third year of its existence, and greater achievements are expected of it in the years to come.

The first semester Student Senate was composed of the following:

Vice President.....James Nelson
Secretary and Treasurer.....Rosemary Corbett

The Press Club renewed its activities this year by resuming publication of the Hi-Lights, a bi-monthly paper.

Miss Carlyle, advisor of the club, instructed its 38 members in journalistic writing at the meetings which were held approximately every two weeks. The first hour of the meeting was devoted to study and the other hour to entertainment.

The Hi-Lights, primarily a Junior project, and having a circulation of 400, was included in the Activity Ticket.

The editor for the first semester was Harriet Heincke, with Jean Schiereck, assistant editor.

The officers of the club were as follows: President and Business Manager, Robert Suckow; Secretary, Lois Senty.

NATIONAL FORENSIC LEAGUE

The National Forensic League is an honorary organization with 430 chapters in the leading cities of the United States. The purpose of this organization, as stated in the Constitution, is to promote the interests of interscholastic debate, oratory, and public speaking by encouraging a spirit of fellowship and by conferring upon deserving candidates a suitable reward. The reward consists of membership in a national organization and the privilege of wearing its distinctive key—always the mark of an honor student.

To become a member of the NFL, a student must earn 15 points of credit in forensic work. He must rank in the upper two-thirds of his class, scholastically. He must have leadership and good character. He must be elected by a three-fourths vote of the members.

In order to provide constant incentive for further forensic effort, even after membership has been attained, advanced degrees are conferred upon members for special attainments. The degrees and the requirements for each are as follows: Degree of Merit, 15 points; Degree of Honor, 30 points; Degree of Excellence, 60 points; Degree of Distinction, 100 points. Advanced degrees keep active the interest of the members for greater attainments by offering them new honors to earn. Each degree adds a distinctive seal to the membership certificate or gives the member a new and distinctive membership card. The key or pin of the member may be jeweled to designate the highest degree held. Emerald marks the Degree of Honor; Blue Sapphire, the Degree of Excellence; and Ruby, the Degree of Distinction.

Plymouth High School joined the National Forensic League last year. The charter members of the local chapter are Bill Bade, James Hughes, Elwood Nehrling, Lois Senty, Ray Andre, Lois Hubin, Jack Reihman, Louise Willard, and Ray P. Laufenberg.

DEBATE 1935-1936

At the beginning of the first semester a debate class was organized with credit being given for the same. This was the first time that a class in debating was ever offered in Plymouth High School.

This class, under the guidance of Mr. Ray Laufenberg, studied the various fundamentals of debating and also other speech methods necessary for good public speaking. The major portion of the time was devoted to debate, however. Outlining and construction of speeches was first studied and then practice in speaking followed. Various teams were organized, and debates were then held between the members. Several of these debates were held after school with members of the faculty acting as judges. One debate was held before the student body, and several were presented before some of the local organizations of this city.

The question debated was as follows: "Resolved, That the Several States Enact Legislation Providing for a System of Complete Medical Care Available to All Citizens at Public Expense."

The team made several trips and debated with various other schools. The entire class attended two debate clinics held at Sheboygan High School. The schools represented at this clinic were Kenosha, Washington High of Milwaukee, Shawano, Two Rivers, Mayville, Manitowoc, West Bend, Sheboygan, and Plymouth. The purpose of these clinics were to give experience in debating and to get ideas as to the various stands taken by these teams towards this question.

At the sectional meet at which our squads competed, a very excellent showing was made. This meet was held at Washington High School in Milwaukee with Kenosha, Washington High, and Plymouth competing. Our teams won two debates and lost two. In fact, there was no winner at this meet because each school won two and lost two.

The one meet looked forward to by the teams was that of the district tournament of the National Forensic League. The tournament this year was held at Ripon College on April seventeenth and eighteenth. The winners of this tournament then went to the national meet.

All the members of the class competed in at least three debates and the stands which they took are as follows: Affirmative, Lois Senty, Lois Hubin, Evelyn Cain, Robert Suckow, Calvin Schmid, and Ray Andre. Those upholding the Negative were Elwood Nehrling, Robert Suhrke, Walter Fiedler, Rose Schmidt, Jean Broker, and Beatrice Butler. A great deal of credit should be given to Mr. Laufenberg, the coach, for the capable assistance given them.

Dear Ruth:
hope we'll

more next year

NATIONAL HONOR SOCIETY

The Plymouth Chapter of the National Honor Society of Secondary Schools, under the guidance of Miss Anita Krause is a new organization of the school. The Student Senate voted the necessary five dollars, the charter fee.

The purpose of this organization (to quote its constitution) "shall be (1) to create an enthusiasm for scholarship, (2) to stimulate a desire to render service, (3) to promote leadership, and (4) to develop character in the students of American secondary schools."

To be elected a member of the organization should be an honor to which every Junior and Senior should aspire. Only fifteen per cent of an entire graduating class can rank in the upper third of the class. Elections are held annually, with five per cent of the second semester juniors eligible to the society, and ten per cent of the Seniors, if five per cent of their class has been elected in the Junior year. After initiation into the society, the boys and girls wear the gold pin, which all members are anxious to display.

The members of the society will assist in the administration of the school by participating in some of the following activities: coaching failing pupils, patroling halls during class periods to prevent students from loitering, obtaining home work assignments for pupils absent during illness, and helping with registration.

Dear Ruth:
It sure has been a swell year.
Hope to know you next year.
Hope to see you back next year.
Luck & Success!

Fiedler for business manager with Suckow as aid;
The money for tickets to them will be paid.
The business part of productions, advertising and such,
Twice during the year their work will be "rush".

The appointment of committee heads was next in line
The chairmen appoint their co-workers, some number nine.
The program committee changes for each meeting
June chose each one without any repeating.

For publicity, Jean Schiereck—we must print in the papers
The name, date, and review of our numerous capers.
For entertainment, Lois Senty—we could think of none better
She knows how to produce "eats and fun" to the letter.

Evelyn Cain was appointed new members to invite,
We know she can do it in a manner just right.
Then for contests and there's to be many this season,
Carolyn Timm was selected—we all know the reason.

Extemporaneous Reading was held on December 4.
Humorous Poetry was in order, we wanted some more.
Harriet Heincke was picked for the program next day
At the Falls, and they were on their way.

Humorous Declamatory on the eleventh was won by Carolyn Timm.
We laughed more at her than we do at Uncle Bim.
The Exchange Program was here; the contestants were four.
We laughed at the selections till our sides were sore.

Dear Boots
Well "Blondie"
I guess you don't
like home with me—
Nothing's bad isn't it—anyway
I'm a real future
A Rat
-Rudy

With Jonesy on December eleventh we made some money.
Kehrling in the title role certainly was funny.
Lois played opposite, they staged a grand rapturous kiss.
Ruth Baum as his ma, didn't approve of the miss.

The Christmas play, Alias Santa, was directed by Jean
There were fourteen with the Alley Kids in the last scene.
Everett Brockman was Millman; John Lorge, David, his son;
Harriet Timm, the nurse Vickey; Robert Suhrke, Halligan.

Ray and Kenneth were the kidnappers—gangsters in the making—
Knockout drops their ammunition, they worked, no mistaking.
Intended for David—Vicky and Halligan ate them.
And noisy as they were, the Kids couldn't wake them.

The big Christmas party was a howling success
After the program, coffee and cookies were served to the guests.
The cafeteria was decked out in Christmas array
"My, isn't this pretty," we heard our guests say.

To start the vacation for the Christmas holiday
The play was repeated for the students Friday,
Dramatic Declamatory was first in the new year.
Lois Hubin was chosen to go to Kohler from here.

The mid-year play followed next—Growing Pains the selection.
Warren Schmoll and Helen Radloff played their parts to perfection.
Adolescence was the theme, twenty-six were in the cast.
Of our 1936 productions this was the best and the last.

Goldbeck and Buuck, incorporated, made a new stage set,
A California home and patio one can never forget.
Porch furniture was used, 'twas an added attraction,
And fitted in nicely with the theme and the action.

Arley Swart was the professor, Jean Schiereck, his wife,
The quarrels of the children made the play true to life.
Act II was the party which ended quite funny,
The boys went to jail and cost poor dad some money.

The spring contest work was especially good.
On the night of April third it started;
Ten declaimers in turn on the platform stood,
All cheerful and light-hearted.

We waited an hour 'cause the judge was late,
Then June Kurtz opened the contest.
About two hours later we knew our fate—
And which delivered her selection the best.

In humorous declam—Jean Schiereck won,
With Doris and Carolyn next in line.
The audience declared the work well done,
And the selections superfine.

In the dramatic type Lois Hubin ranked first,
With Lois Senty a very close second,
Third place was won by smiling June Kurtz.
To them the Milwaukee tournament beckoned.

The record was great at Milwaukee next day.
Third place was the grand average made.
We came home in the snow with spirits gay
And a feeling of efforts well paid.

The League contests were held at Plymouth in May,
Our contestants regained the coveted prize.
Four firsts and a second, a record, we say,
Elwood's hat gained four inches in size.

Then the N. F. L. in Ripon on Friday and Saturday.
For what we lost in sleep we made up in fun.
The work was well done as each "came up to bat."
T'was lucky, for the year cost much "mon."

Our last grand effort, the pre-prom dance,
Was a money-making scheme,
Like the government we had our budget to balance.
The N. F. L. expense was no dream.

JUNIOR PROM, 1935

The largest and most profitable Plymouth High Junior Prom was held in the high school gym May 3, 1935, despite the fact that a raging snow storm was the weather man's contribution. An elaborate garden scene on one side of the gym greeted the guests, while the special feature, the crystal ball, attracted its share of attention. Under the beautifully colored lights and green and white decorations two hundred and twenty-five couples danced joyously to the melodious tunes of Edgar Drake's Orchestra. Many guests participated in the feature of the evening, the Grand March, led by Harold Reinecke, Prom Chairman, and Gertrude Hoeppner, Prom Queen, a veritable vision in blue.

The Prom Chairman, Harold Reinecke, was elected by the Junior Class. He immediately selected committees who, because of their efforts and diligence, aided in making the prom a great success. The Chairmen of the various committees were as follows: decorating, Jean Schiereck; finance, Raymond Andre; music, Jean Lammers; refreshments, Janet Leifer; advertising, Le Roy Koehler. These committee chairmen had assistants who donated their services willingly.

The class advisors were Miss Anita Krause and Mr. Raymond Laufenberg.

Dear Ruth,
Never weaken.
A smile will help
& luck and success
in the future.

The orchestra, composed of thirty-five members, rehearsed every Monday evening under the talented leadership of Mr. Draeger.

Last season the orchestra placed second in Class D at the district music festival at Two Rivers.

The orchestra appeared at all the dramatic productions and presented incidental music. They presented exchange programs at Chilton and Sheboygan Falls and also presented concerts for many civic organizations. They were rewarded for their work with a party in January.

The band, composed of forty-seven members, rehearses every day during the sixth period. They were fortunate to receive a full time director this year.

This season, under the splendid leadership of Mr. Glazer, the band presented many concerts to the students and various civic organizations. Its stirring marches were heard at all the football and basketball games. Two formal concerts were also presented at the school.

Last year at the district music contest at Two Rivers the band placed second in Class D.

BOYS' GLEE CLUB

Miss Arline Luecker again directed the Boys' Glee Club, which, this year, was outstanding for its accomplishments. The boys sang at assembly programs, Parent-Teacher Association meetings, and on various other occasions. A double quartette was selected from the Boys' Glee Club to present a few numbers at the Brotherhood of Andrew and Phillip meeting.

GIRLS' CHORUS

Under the able direction of Miss Arline Luecker, the Girls' Chorus, of approximately seventy-five members, was again organized. The chorus meets every Tuesday night after school. This gives those girls a chance to show their musical talent who do not enter the Glee Club. The members receive one fourth of a credit for one year's work provided they do not have more than three unexcused absences.

BIG EIGHT MUSIC FESTIVAL

One of the most outstanding events in the school's program of music is the Big Eight Music Festival.

This year Chilton had the privilege of being host to the talented musical members of the schools belonging to the Big Eight Music Conference. It was held on May 9.

Greater opportunity for individuals as well as groups to attain high merits is afforded by a recent system of ranking the contestants in classes of A, B, or C. Vocal as well as instrumental talent is displayed on a competitive basis.

The persons receiving the highest rating perform on the program held the evening of the festival. In connection with this there is always a mass band concert presented by all bands entered in the contest, given under the leadership of a conductor selected from one of the schools participating.

For the first time in the history of Plymouth High School, the District Music Festival was held here.

Twenty high schools participated in the spectacular event, and one of the outstanding features was the huge parade staged by the bands of each school. Instrumental and vocal solos, bands, ensembles, glee clubs, choruses, and choirs took part in the program.

STUDENT LIBRARIANS

The student librarians assist in the work of the Plymouth High School library. Their duties are to aid the students in finding any reference material they wish to use, check out books, assist in preparing library displays, keep the reading material in good condition, and keep the library shelves, which are assigned to them, in good order.

There are two librarians at the desk for each period who have the authority to supervise the behavior of the students.

Any students, with the exception of freshmen, are eligible to join the Library Club. This club meets whenever the occasion demands it. Student librarians this year were Marcella Truttschel, Gertrude Anhalt, Maybelle Schultz, Elvira Freier, Ruth Schwaab, Mary Jane Schwaab, Jean Broker, Lola Pratt, Helen Iserloth, Henrietta Renk, Ione Lorge, Jean Kassebaum, Phyllis Ladewig, and Alice Parrish.

BIOLOGY CLUB

"Rally, Nature Lovers, Rally!" About thirty-five enthusiastic veteran and amateur biologists responded to this call given by Mr. Zimmerman on February 20, 1936.

A group especially interested in birds and their conservation immediately organized to provide food for species in this locality which were near starvation because of severe weather conditions.

Varied interests necessitated division of the group into sections to carry on activities in accordance with their interests.

Several projects were sponsored by the entire club. Individual work was also encouraged.

Enthusiasm applied to constructive activity was the only membership requirement.

HI-Y CLUB

The Hi-Y Club was organized in 1934, under the direction of Mr. Schweitzer, advisor. It was formed with the purpose of possessing, maintaining, and creating throughout the school and community, high standards of Christian character.

At the meetings a variety of interesting topics are discussed. For recreational activities, the club sponsors a volley ball team.

FUTURE FARMERS

The Future Farmers of America is an organization for farmer boys who are enrolled in Smith-Hughes agricultural departments. Various contests, for both individuals and teams—state and national in scope—are sponsored yearly. Each year judging teams of livestock, dairy products, and poultry, coached by Mr. Splitgerber, are sent to Madison to compete with other teams. This year Plymouth's representatives were very successful.

The dairy products team, composed of Wallace Kleinhans, Harold Schmidt, and Melvin Lau, won first place. Consequently, the cup, which Plymouth had won for two years previously—the cup must be won three years out of five—became the property of the Plymouth chapter of Future Farmers. With no teams competing, the livestock team placed fifth.

Harold Reinecke and Roy Melvin received F. F. A. keys, the highest merit one can receive in the state for outstanding achievements.

Last fall Plymouth's chapter had the opportunity of putting on a radio broadcast over station WHA, Madison, and also of appearing before the Kiwanis Club of this city. Those who took part in the program were Harold Reinecke, Willis Ebelt, Roy Melvin, Donald Bauer, and Clinton Brott. These boys outlined the work of the chapter for the coming year.

Melvin Raeder, Anthony Schirmer, and Harold Hueppchen received honors for outstanding club work in the county.

ALUMNI

The Plymouth High School Alumni Association met in a business session in the High School library on the afternoon of June 22, 1935. The general business routine was transacted after which followed the election of officers.

The banquet in the evening was opened with an address of welcome given by John Wittkopp, last year's president of the alumni, who extended a welcome to the members and to the class of 1935. A response was given in behalf of the senior class by William Bade.

Miss Doris Dietsch, accompanied by Miss Hildegarde Wilson, sang "Let All My Life Be Music". Miss Etta Luecke of Plymouth and Miss Cecelia McNicholas of Racine, members of the class of 1910, played a piano duet. Accompanied by his wife, Mr. William Schweitzer, a member of the high school faculty, sang "I Will Come to the Fair". The class of 1910 sang its class song, "Work and Win", after which the class roll was taken.

The members of the association then retreated to the gym where they danced to the melodious strains of Wendlandt's Orchestra.

PEP CLUB

The peppiest club, one of the most active clubs, one of the largest clubs—that's the Pep Club. The cheering at games, the cheerleaders, and the refreshments at basketball games are all results of this peppy Pep Club.

Formed four years ago to furnish pep and school spirit, this organization has developed into a major club in our school.

At the head of the club is Carolyn Timm, president; and co-workers with her are the cheerleaders—Bob Suckow, manager; Bernice Torke, Everett Brockman, Lorraine Burke, and Harold Wendlandt. A flash of orange and black and a rousing yell gives evidence that the cheerleaders are doing their part to make the Pep Club the peppiest club in school.

Much of the success attained this year is due to Miss Bailey, who so ably guided this club to make it the peppiest club in school.

LETTER CLUB

The Letter Club is an association for the promotion of boys' athletics.

To become eligible for this club a boy must have earned his letter in one of the following ways: playing six quarters in football games, eight quarters in basketball games, or by earning five points during the season in track. Managers of these sports are also eligible for membership after they have served as manager for two years. Eighteen lettermen were initiated this year before a group meeting of the student body.

FOOTBALL SQUAD

The football squad of 1935 had a very disappointing season. With only two letter men returning, Coach Farwell did not have much experienced material with which to build a team, and consequently the squad lost every game except the one against Neenah, which was forfeited to Plymouth.

Although the team started the season by playing a good game against Sheboygan, they never were good enough to win. The team played good ball, but they never got the "breaks" in the close games.

However, there will be fifteen letter men back to carry on for P. H. S. next year.

BASKETBALL SQUAD

The 1935-1936 basketball squad started out the season in great style by winning two of the first four games played and losing the other two by a very small margin. However, after the early season's good start, the squad couldn't hit its stride and lost every game except the Kohler game played at Plymouth.

Only four boys will be lost through graduation this year—J. Nelson, V. Meerstein, L. Koehler, and A. Gehlhoff—so the prospect of a good season next year looks extremely bright, for, besides the returning lettermen, there will be a group of sophomores who played the preliminaries this year and put up a very good showing.

The boys climaxed the season by going to the Class A Tournament at Watertown.

The squad was ably coached by Jack Farwell.

SOPHOMORE BASKETBALL SQUAD

This sophomore squad played the preliminary games during the basketball season. They were handicapped at times because many teams had much taller players, but they always put up a good fight and won most of their games. These boys have played together since Junior High and should put Plymouth in the lead for the Eastern Wisconsin Championship next year.

TRACK TEAM, 1935

At the Big Eight Track Meet held at Chilton, May 18, the Plymouth High Track Squad won the title for the ninth consecutive year.

In the dual meets with Fond du Lac and Kiel, the squad won both meets. On May 11, the squad went to the district meet at Green Bay and although several men placed the fourth and fifth positions, none qualified for the state meet.

Despite the fact that the squad faces a handicap with only one letterman, J. Nelson, remaining in school, there are several point winners back who will strive to keep up the school's fine track record.

A great deal of credit is due to Coach Jack Farwell for the fine showing the boys made.

BOYS' INTRA-MURAL ATHLETIC ASSOCIATION

To give every boy a chance to participate in some sport activity that appealed to him, the Boys' Intra-mural Athletic Association was again organized this year.

Although it was governed by the board of control again this year, there were no dues to be paid; so it was carried on a little different from other years.

The sports engaged in this year were touch football, volley ball, boxing, and basketball, while the feature of the year was the school track and field day. Other sports will be promoted when facilities for these sports are provided.

Awards are presented to the outstanding players at the end of the year. The winning of such an award is determined by the point system.

Basketball continued to be the most popular sport of all. The boys were divided into two groups, A and B. These groups were then divided into city and farm groups. The city groups had the gym on Tuesday after school, and the farm groups met in the gym three noons a week.

The organization was under the capable management of Jack Farwell, advisor.

Dear Ruth
I will remember you as the
sympathetic player who started to
learn to play while I did. Luck &
success on your autoplane

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association was formed three years ago to stimulate interest in athletics for girls. As each year has gone by, the girls have shown an increased interest in athletics until now the G. A. A. of Plymouth High School has become one of the most active organizations in school.

Every Friday evening, Thursday noon, and Tuesday noon the gym belongs to the girls. If you were to look into the gym at any of these times, you would see the girls playing basketball, volley ball, baseball, or practicing track. Tournaments were again carried out between classes in these activities and they showed a marked increase in sport technique and sportsmanship.

Miss Bailey, who has supervised this organization so successfully, has started two new activities, namely a tumbling club and a dancing club. After much practice at meetings a team was selected from each club.

In each activity first and second teams are picked from each class by a committee made up of representatives from the various classes Those girls who make the first and second teams receive a certain number of points. These points are applied towards a letter which is the goal every girl hopes to attain by the end of her senior year.

JUNIOR HIGH SENATE

The Junior High Senate is an organization that takes care of the business of the Junior High. It is composed of two members from each of the two sections of the seventh and eighth grades. The Senate members, president, and chairman of all committees are usually elected the last part of each semester. They are nominated by the previous Senate and the advisor. These candidates are selected for leadership and scholastic ability. At the beginning of each semester each candidate and his campaign manager give a campaign speech before the whole Junior High. The person who receives the greatest number of votes is the president, and the one with the next greatest number is the chairman of all committees.

The social activities are taken care of by the program, party, decorating, and pep committees. A finance committee takes care of the receipts and expenses. This year no dues were charged members of the Junior High, but money was raised by the presentation of four one-act plays.

JUNIOR HIGH BASKETBALL TEAM

Under the guidance of Mr. Zimmerman the Junior High has been fortunate in having an active team. The team played very good basketball, thus getting in the tournament at Port Washington. Two games were played; both were won. By winning both games the team got in the finals for the championship. We played Port Washington in an over-time game and lost. On the whole, however, we had a very successful year; winning twelve and losing three games. The seventh grade won three and lost one. The eighth grade second won one and lost three.

GIRLS' ATHLETIC ASSOCIATION

The members of the Junior High G. A. A. are earning points toward a letter which may be given in the senior year of high school. They receive two points for each hour of outside activities, such as skiing, skating, tennis, bicycling, hiking, tobogganning, roller-skating, and other individual activities. A program of intra-mural sports including soccer, basketball, volley ball, track, and baseball has been carried out this year on Tuesday and Thursday noons and Friday afternoons after school. From these groups two class teams are chosen for each sport. A person who gets on the first team of her class in each sport receives ninety team points toward her letter and a person who gets on the second team receives forty team points. Each girl that goes out for a sport gets ten team points for being out regardless of whether she gets on a team or not.

The G. A. A. has sponsored candy sales and dances during the year to make money for the organization.

A Dancing Club has been organized this year which most of the Junior G. A. A. members have joined. Points were given to those who were present each time and learned all the dances. A tumbling team was also organized and points were given to the ten best members.
